

# ENERGY DEPARTMENT GOVERNMENT OF SINDH

No: DAE/GEN/216/2021

dated: 18<sup>TH</sup> January, 2022

## REQUEST FOR PROPOSAL (CONSULTING SERVICES – FIRM SELECTION)

Article 157(2) of the Constitution enables the Government of Sindh (GOS) to, inter alia, set up power houses, transmission lines, etc. for use within the Province of Sindh. Also in pursuance of para 5.1.10 the Provincial Governments may make their own electricity policies including generation, transmission & distribution.

Further, the Sindh province is blessed with tremendous energy resources like coal, gas, and alternative energy i.e. Wind, Solar, Biomass etc.

Accordingly, Energy Department, Government of Sindh (ED, GoS) has observed that in the current emerging new market scenarios especially successful thermal power generation from Thar coal block-II, generation & evacuation of power from Jhimpir Wind corridor and growing interest in B2B model for market development through renewable energy sources, formulation of new electricity policy for Sindh is needed.

### Description of the Assignment:

Energy Department, Government of Sindh is seeking services of a well reputed top tier energy law firm(s)/consultants/consortium for Legal/Transaction Advisory Services for formulating draft Sindh Electricity Policy, 2021 prepared in the light of provisions given in the Constitution of Islamic Republic of Pakistan, National Electricity Policy, 2021, Alternative & Renewable Energy Policy, 2019, laws, applicable governing rules and regulations covering diverse subjects as power generation, transmission, distribution, marketing, tariff, electric market development under CTBCM, B2B or PPP model, amendment in land grant policy for development of renewable energy under B2B or PPP or any other model and grant of land for construction of grid stations by DISCOs, KE, STDC and laying of transmission lines etc, for attracting investment of Public Sector, Private sector and Public Private Partnership (PPP) in electricity generation (including thermal, renewable, hydel technologies), its transmission and distribution for providing sustainable and cost-effective solutions for meeting the province's growing energy needs and any other assignment relevant to the subject.

- A recognized well reputed energy law firms/Consulting firm/Consortium (in the form of a joint venture and/or a sub-consultancy, in case of joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected)
- ii. Possessing proven experience in Pakistan's power sector.
- iii. Valid Registration with concern business registration Authorities / bodies, registration with Bar Councils, registration with tax authorities.
- iv. Must be a non-blacklisted firm (firms in case of joint venture).
- v. Experience of working on power projects transactions and related corporate commercial assignments for at least five years in Pakistan or internationally and strong expertise in regulatory matters.

Method of Selection of Consultant: Least Cost Selection Method.

### Request for Proposal (RFP) Document:

**Issuance:** RFP document can be obtained from the date of publication to 7<sup>th</sup> February, 2022 till 11:00 am upon submission of a written application and payment of a non-refundable fee of Rs.5000/- (cash) or downloaded from Sindh Public Procurement Regulatory Authority's website or Energy Department's website i.e. [www.sindhenergy.gov.pk](http://www.sindhenergy.gov.pk) and be submitted alongwith the said fee.

**Submission:** RFP completed in all aspects must be submitted on or before 7<sup>th</sup> February, 2022 till 3:30 pm.

**Opening:** RFP will be opened on 7<sup>th</sup> February, 2022 at 4:00 pm

### Place of Issuance, Submission, Inquiries & Opening:

**Address:** Energy Department, 3<sup>rd</sup> Floor, State Life, Building No 3, Dr Ziauddin Ahmed Road, Opp. CM House, Karachi.  
**Telephone Number:** 02199207144, Fax: 02199206276

## ENERGY DEPARTMENT GOVERNMENT OF SINDH

### REQUEST FOR PROPOSAL CONSULTING SERVICES - FIRM SELECTION

Article 157(2) of the Constitution enables the Government of Sindh (GoS) to, inter alia, set up power houses, transmission lines, etc. for use within the Province of Sindh. Also in pursuance of para 5.1.10 the Provincial Governments may make their own electricity policies including generation, transmission & distribution.

Further, the Sindh province is blessed with indigenous energy resources like coal, gas, and alternative energy (i.e. Wind, Solar, Biomass etc).

Accordingly, Energy Department, Government of Sindh (ED, GoS) has observed that in the current emerging free market scenario especially successful thermal power generation from the vast block-II generation & acquisition of power from cheap Wind corridor and growing interest in B2B model for market development through renewable energy sources, formulation of new electricity policy for Sindh is needed.

#### Description of the Assignment:

Energy Department, Government of Sindh is seeking services of a well reputed, top tier energy law firm(s)/consultants/consortium for Legal/Transaction Advisory Services for formulating draft Sindh Electricity Policy, 2021 prepared in the light of provisions given in the Constitution of Islamic Republic of Pakistan, National Electricity Policy, 2021, Alternative & Renewable Energy Policy, 2019, laws, applicable governing rules and regulations & Reporting shows subjects as power generation, transmission, distribution, marketing, tariff, electric market development under CTBCE, B2B or B2B or B2B or any other model and policy for development of renewable energy under B2B or B2B or any other model and grant of land for construction of grid stations by DISCOs, KE, STDC and laying of transmission lines etc. for attracting investment of Public Sector, Private sector and Public Private Partnership (PPP) in electricity generation (including thermal, renewable, hydro technologies), its transmission and distribution for providing sustainable and cost-effective solutions for meeting the province's growing energy needs and any other assignment relevant to the subject.

#### Eligibility Criteria:

- i. A recognized well reputed energy law firm/Consulting firm/Consortium (in the form of a joint venture and/or a sub-consultancy. In case of joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected)
- ii. Possessing proven experience in Pakistan's power sector.
- iii. Valid Registration with concern business registration Authorities / bodies, registration with Bar Councils, registration with tax authorities.
- iv. Must be a non-blacklisted firm (firms in case of joint venture).
- v. Experience of working on power projects transactions and related corporate commercial assignments for at least five years in Pakistan or internationally and strong expertise in regulatory matters.

#### Method of Selection of Consultant: Least Cost Selection Method
